

**We are pleased to provide a free service
that brings native plants to your yard!**

By combining orders from multiple participants, we provide access to participating nurseries offering wholesale and discounted retail pricing.

You will save lots of money while beautifying your property and improving the ecological health of the Hopewell Valley!

Eligibility: You must be a current FoHVOS member at the “Community Conservation” level.

Ordering Process:

For 2021, we have developed a new ordering system to make it easier for you to select the right plants for your yard. It includes a tally of costs in your 'Cart' as you shop - costs include both the plants and shipping costs.

- Browse for plants by attributes
 - We can only offer species listed on our website.
 - To help with ordering, we have provided a range of native plant 'packages'
- For each plant you would like to purchase, select pot size and quantity
- When your order is complete, hit 'Submit' and we will check on availability through our participating nurseries.
 - If particular plants are not available, we can discuss replacements and check on their availability with the nurseries.

Ordering Deadlines:

Spring – April 5, 2021

Fall – August 9, 2021

Plant Payments:

We will provide your amount due, including shipping, upon confirming your final order in early April. Payments can be made by check or online.

1. Mail checks to Friends of Hopewell Valley Open Space, P.O. Box 395, Pennington, NJ 08534. Please add "CC Plants" in the note section of your check.
2. Online payments can be made securely through PayPal using a credit card or bank account.

Plant Pickup:

We are partnering with Hopewell Township to provide easier access.

- Location: Hopewell Township Public Works Building, 203 Washington Crossing-Pennington Road, Titusville, NJ 08560
 - You will see the FoHVOS tent and signage directing you to the far side of the building (opposite side from the building entrance and parking spaces located at the end of the entrance driveway).
- Once we notify you of plant delivery from the nurseries, you can pick up your plants any day of the week during daylight hours.
- Spring Pickup Date: Approximately May 14, 2021
- Fall Pickup Date: Approximately September 17, 2021
