Don't Forget to Register!

14th Annual FoHVOS Strike Team Professional Conference

Duke Farms Farm Barn
Wednesday, October 13, 2021
9:00 am – 4:00 pm

Please join us in-person - the event will be held outdoors under a tent. Continental breakfast and lunch provided.

The conference will focus on the use of prescribed burning to combat invasive species. Learn and interact with a variety of professionals. [Click here for the agenda](#)

Speakers

- Results of a scientific study on burn impacts
- Primer on ecological burning including ecological and social aspects

Panels

- Learn about the possibilities for invasive species control
- Hear about on-the-ground efforts to maintain and restore forests and grasslands

NJ Forest Fire Service Demonstration

- See their tools and machines and learn about burning techniques

Registration is open to all conservation professionals, public officials, and interested members of the general public.

REGISTER NOW!
